Modern Indian Political Thought MDSC-5B	4	3	1	-	Passed Class XII	NIL

Learning Objectives

The objective of this course is to study important themes through individual thinkers. The course has been designed to give students a glimpse of the richness and diversity within Indian political thought. The thinkers have been consciously selected to represent a wide spectrum of ideologies and vantage points within the modern Indian thought tradition. Selected extracts from original texts are also included to be discussed in the class. This will help students to have experience in understanding how these thinkers build up their arguments and develop their views on the respective themes.

Learning outcomes

After reading this course, the students will be able to:

- Develop critical understanding about modern Indian thought.
- Thematically explore ideas in order to locate the topical debates on important subjects on a historical trajectory
- Reflect over the diverse possibilities exhibited in the writings of the respective thinkers.
- Think about issues and debates in contemporary India from multiple vantage points including its historical significance in the Indian tradition.
- Develop toleration and respect for diverse opinion and at the same time, to admire and appreciate the plurality within the modern Indian intellectual tradition.
