Translation and Interpretation in Tamil	02	2	0	0	(for students who have studied the language up to Class VIII & above)	NIL

Learning Objectives : The course aims to prepare bilingual and multilingual students proficient in translation and interpretation, have sufficient knowledge of at least two languages, the source and the target language, and apply them adequately for all practical purposes. Besides, it also aims to build cross-cultural communications and enables the students to use different skills effectively to prepare themselves to take jobs in translation and interpretation.

Learning outcomes: : Students will be able to build various professional, technical, and linguistic skills to take the job of translation and interpretation. Their knowledge in various fields in both the source and the target languages will help them translate in multiple areas and take interpretation jobs for the different target groups; the translator works with the written material/texts; the interpreter will mediate between languages orally. The course will equip the students with the theories of translation as techniques of translation well as practical aspects of translation.
